

# Where I Go

Hraban Ramm, 1997

(Pagan Spiritual) frei nach dem Spiritual „Come and Go“

1. There is light on my way, sun and moon on my way, there is light on my

way, where I go (where I go). There is light on my way, sun and

moon on my way, there is light on my way, where I go.

2. There is music in the air,  
songs and dances in the air,  
where I go.
3. There is love in my heart,  
love and friendship in my heart,  
where I go.

4. There is joy all around,  
peace and joy all around,  
where I go.
5. Follow me on my way,  
to the stars, on my way,  
where I go.
